

BOARD POLICY

Descriptive Code: FDC

NAMING FACILITIES

Date: November 6, 1997

---

All school facilities within the Pickens County School System will be named according to the facility's location and no school will carry the name of any individual living or deceased.

However, it is permissible for certain areas within a school such as libraries, gymnasiums, athletic fields, etc., to bear the names of outstanding citizens of the county, state or nation.

The Superintendent will make the recommendation to the Board and the Board will make the final approval.
